The Home and School Committee needs more parents

We need more parents to help with the organising of events for our school community.

The committee aims to organise 1 event a term (we also assist with the Calendar orders).

Unfortunately we currently do not have enough parents to help organise and hold the events, so we need more parents to volunteer to help.

Whats Involved

You do not need to commit to help with all events, you can volunteer to help with just 1 event.

The whole committee currently meets once a term, then those involved in organising the terms event, will meet as required.

**The next meeting is scheduled for
Wednesday 2 June - 7.30 pm in the School
Staff room.**

Please email homeandschool@westpark.school.nz if you are interested in helping organise an event for our school community.

Interested New Members

Being on the Home and School Committee does not necessarily mean a large amount of work.

Smaller groups are formed to organise each event.

More members mean less work for individuals.
