

# Team Miro Newsletter

Term 4 2017

Dear Parents, Grandparents and Caregivers,

We are now into the swing of Term 4. Thank you to everyone who has been helping by coming to swimming with us each day. It is great to see the students already put into their swimming groups, and learning new skills.

Later this term we will be learning about different cultures and celebrations. We would like to invite you to come and share any traditional clothing, food, dance, songs or activities that are special to your culture. Please let your child's teachers know if you are available, and we can schedule a time.

Have you heard about the Seven Steps to Writing? This is a program we have been using to support students in their writing. It has been great to see the progress they have been making, and students thinking creatively in how to craft their sentences. Feel free to come and have a look at your child's writing book next time you are at school.

Just a reminder about reporting—Students will receive a report on their anniversary date of starting school, and then 6 months later with their mid-anniversary report. Those who are due for a report in January or February 2018, will receive it in December 2017.

Finally we are currently in the process of organising an end of year Team trip to celebrate all of the hard work students have put in this year. We will let you know more details in the next few weeks.

If you have any queries, please don't hesitate to contact your child's classroom teacher.

Kind regards,

Amy, Paula & Amanda.

## Notices

---

### News

Don't forget to check which day your child is rostered on to share their topic news each week. It is a good idea to support your child in preparing the night before so they know what to share with the class.

### Hats

Students must wear a hat with a brim while during break times or outside activities. Please make sure your child either leaves it at school, or they pack it each day.

### Punctuality

Just a reminder that students are welcome to be dropped to school from 8.30am, as teachers will then have finished their meetings and classrooms will be unlocked. It is also recommended that students arrive by 8.50am to ensure they have enough
