

Welcome to Term 4!

Welcome back to our final term of the year! We all hope you had an excellent time over the school holidays.

We would also like to welcome back Rebekah to the team after a term away, she is nice and healthy and excited to be back in the classroom. We would also like to formally welcome Lorraine Rigg to the team, who will continue teaching in Room 7 alongside Rebekah, following her time with the class over the course of term 3.

The key inquiry topic across the team for this term is 'Culture'. Each class will approach this in their own way and produce some amazing projects. Physical education will initially focus on athletics before we move into swimming, and then finish off the year with ball games. Writing will be continuing with the 7 Steps for Writing programme, and literacy and numeracy will be based on the needs of the children within each class.

We hope you have an awesome term!
Kind regards,

Rose Gammie, Helen Ayers, Rebekah Ceelen, Lorraine Rigg and Erica Leggett

Reminders

Hats:

As it is finally our Summer term again, please ensure your child has a named wide brimmed hat to wear for break times and PE, without a hat we cannot let them play out in the sun and will require them to stay in shady areas. We also recommend putting on sunscreen in the morning, covering shoulders as extra protection and bringing a water bottle to combat the heat.

Swimming:

A reminder that swimming is coming up quickly. Each of our classes will be walking to and from the pool daily during week 4 and 5. Please ensure good walking shoes are worn over this period. If you have volunteered to help, thank you! and your classroom teacher will be in contact with you very soon to finalise your available days. Please also ensure all togs, towels and goggles are named also.

Upcoming Events

End of year event:

Our end of year event will be Monday 18th of December. It is still being finalised what our event will be and what costs are attached to this. If you are able to help, please keep this day free to come along with us.
