Term Four, 2017

As a Year Four student your child will receive an End Of Year Report on the 15th December. These will be shared on Seesaw for you to read and talk about with your child. You will be offered the option to request a printed copy soon.

Dear Parents and Caregivers

Welcome to Term Four in the Treehouse. As I write this I wonder where the rest of the year has gone?!

SWIMMING

This term we have our swimming lessons happening in Weeks 6 and 7 (November 19-30). We are still a little short of parents to help walk with us to Keith Spry Pool, so if you are able to help, please get in touch!

NZ SHAKE OUT

We recently took part in a nationwide earthquake drill. In the Treehouse, we practiced several times what to do should an earthquake strike. Our conversations afterwards included actions to follow in a variety of situations. Following on from this, it may be timely to talk over your plans at home also. You may find this link useful:

We are in the process of planning a variety of activities including a fun day out as an end of year celebration. We will be in touch with confirmed details soon.

NOTES FROM TERM THREE

Our healthy eating topic last term, ended with a Treehouse Masterchef Challenge. We congratulate Archie, Jayden and Isaac, whose group won the prize. Their winning meal will be cooked for them soon!

A short NZ film that was made starred our very own Kimora and her sister. You can read about the film here:

Many of our Treehouse members participate and compete in a range of activities outside school and we have had many celebrations with our gymnasts, dancers and BMX racers among other things. We are very proud of all of you!
