

TEAM MIRO

Term Four

2018

Welcome back!

It is so hard to believe that we are in our final school term for 2018! We are all very excited about the term ahead with the children and whanau of Team Miro!

THIS TERM IN TEAM MIRO...

A brief overview of learning in Term Four

Our learning this term includes exploring topics within the Material World of Science!

Swimming

This Term our students are attending daily swimming lessons during weeks 2 and 3. Please ensure they bring named togs, towel and goggles (if required) daily. If you are able to help walk students to and from the pool, please let your child's teacher know. A really big thank you to those parents that have offered to support and help with this – it is greatly appreciated! Please also ensure your child has a jacket and comfortable walking shoes daily for the trips to and from the pool. Thank you for your help with this.

Wearable Arts

This Term our students will be exploring the concept of wearable art and creating their own masterpieces as part of a team. If you are able to assist with resources and especially helping out with the construction of these we would LOVE to hear from you! We look forward to sharing these with you later in the Term.

Oral Language—Term 4 Focus

Information regarding our topics for Term 4 have been sent home already – please contact your classroom teacher if you require another copy.

Home Learning:

We encourage the use of Mathletics at home to support their learning. Students earn a Bronze Certificate for achieving 1,000 points within a week, eventually working their way towards achieving a Gold Certificate! Please continue to support your child at home with this. A reminder also to ensure book bags and readers are returned to school the following day after completing their home reading.

We all look forward to an awesome final term together in Team Miro!

Kind regards,
Helen Ayres, Jessica Flynn, Elaine Cooper and Erica Leggett

Notices

- **WARNING...WARMER WEATHER APPROACHING!**
With the sun beginning to brighten our days it's time for those wide brimmed hats to return from the bottom of those drawers! Please ensure your child has a named hat to wear daily to enable them to play outside safely. If your child does not have a hat they will be expected to play in the shaded areas. We would also appreciate a change of clothing left in your child's bag in case of any accidents during the day.
- **BOOK ROOM HELPERS**
Anyone who can volunteer to help put books away for an hour on a **Friday morning** please contact Paula McIvor by email (paulam@westpark.school.nz). This is a huge job for teachers and we greatly appreciate having a team of amazing parents help with this. Depending on numbers you might only have to do it once a term.
- **ROAD PATROL**
Every morning and afternoon we have responsible Year 6 students who do Road Patrol for our school to make sure our families can cross our busy roads safely. We are desperately seeking parents who can support and supervise our students out on Patrol. If you are available and willing to help on any morning from 8.20-9.10 or any afternoon from 2.45-3.10, please contact Donna Curran-Green on donnacq@westpark.school.nz
